

FLIGHT OUTFITTERS FOLIO BAG

Whether you're soaring above the clouds in your Cirrus or closing a big deal in your desk chair, this folio bag looks like it just left the flight deck of a DC-3. But while the Bush Pilot Folio has plenty of style, it's also a very practical bag, storing a surprising amount of gear without looking bulky or weighing you down. It has separate pockets for your tablet and laptop, plus a large center compartment and plenty of exterior pockets. You can keep everything separated but easy to find.
